is in compliance with all applicable provisions of the Uniform Code and the Energy Code and (2) all work then proposed to be performed shall be in compliance with all applicable provisions of the Uniform Code and the Energy Code.

The issuance of a Stop Work Order shall not be the exclusive remedy available to address any event described in subdivision (a) of this section, and the authority to issue a Stop Work Order shall be in addition to, and not in substitution for or limitation of, the right and authority to pursue any other remedy or impose any other penalty under section 15 (Violations) of this local law or under any other applicable local law or State law. Any such other remedy or penalty may be pursued at any time, whether prior to, at the time of, or after the issuance of a Stop Work Order.
