Unless individually waived by the Code Enforcement Officer this application must be accompanied by the following:

1. A set of specifications describing the nature of the work to be performed, the materials to be used and installed an, if applicable, details or structural, mechanical, electrical and plumbing installations.
2. A plot plan showing the location of the lot and buildings on premises, relationship to adjoining premises or streets, and details of the project.
3. An affidavit by the owner (if this application is not signed by the owner) stating that the proposed project and associated inspection are authorized.

By signing this form, I certify that the information I have provided is true and accurate to the best of my knowledge. I also understand that the work described on this application cannot be commenced before the issuance of a building permit. I also authorize the Code Enforcement Officer permission to inspect the premises with out the need of a search warrant. I understand that making false statements on this document is punishable by law.

Applicant: _____ Date: _____ Landowner: _____ Date: _____

General Municipal Law #125, Chapter 439 adds new requirements that a building permit shall not be issues unless the applicant provides either proof or Workers Compensation and Disability coverage, or documentation or exemption from same.
